PREFACE

In each recreator's heart is the professional desire to provide the youth of our land with wholesome opportunities for personal satisfaction, pleasures, and joys coupled with the development of recreative skills and appreciation. This desire is not limited merely to the individual or the group; it is founded upon the urge for maximum participation by a maximum number of individuals.

The Tar Heel Leagues, Inc. is dedicated to partially fulfill the recreator's desires. Its organizational boundaries have been conditioned to satisfy the needs and desires of local communities. It provides the opportunity for maximum participation at the local level for youths from six to fifteen years of age. Mediocrity of skill is no handicap to a local youngster; nor does mediocrity destroy the opportunities for an exceptional participant. Through its local league's controls near equivalent teams are acquired which provide participation opportunities for all youngsters. This same organization guarantees to the exceptional youth the opportunity for participation in tournament play.

Adult volunteer leadership is a prerequisite to a sound program. Motivation objectives centered around youth benefits are assured. Quality of operation and supervision provide for safety and healthful practices by the participant. Community pride and sense of worthy accomplishment is a product of Tar Heel Leagues, Inc.

To the youngster, the parent, the neighborhood, and the community, Tar Heel Leagues, Inc. is an instrument of service; to the recreator, it is a program designed with professional principal and control. To all parties concerned, it is another step in the accomplishment of the art of living.

XII - LIGHTNING POLICY

Tar Heel Leagues, Inc. will follow the NFHS rule book for its lightning policy.

PROACTIVE PLANNING

1. Assign staff to monitor local weather conditions before and during practices and contests.
2. Develop an evacuation plan, including identification of appropriate nearby safe areas and determine the amount of time needed to get everyone to a designated safe area.
3. Develop a criteria for suspension and resumption of play.

A. When thunder is heard or lightning is seen*, the leading edge of the thunderstorm is close enough to strike your location with lightning. Suspend play for at least 30 minutes and vacate the outdoor activity to the previously designated safe location immediately.

B. 30-Minute Rule: Once play has been suspended, wait at least 30 minutes after the last thunder is heard or lightning is witnessed* prior to resuming play.

C. Any subsequent thunder or lightning* after the beginning of the 30-minute count will reset the clock and another 30-minute count should begin.

D. When lightning-detection devices or mobile phone apps are available, this technology could be used to assist in making a decision to suspend play if a lightning strike is noted to be within 10 miles of the event location. However, you should never depend on the reliability of these devices, and thus, hearing thunder or seeing lightning should always take precedence over information from a mobile app or lightning-detection device.

** - At night, under certain atmospheric conditions, lightning flashes may be seen from distant storms. In these cases, it may be safe to continue an event. If no thunder can be heard*

and the flashes are low on the horizon, the storm may not pose a threat. Independently verified lightning detection information would help any uncertainty.

4. Review the lightning safety policy annually with all administrators, coaches, and game personnel, and train all personnel.
5. Inform athletes and their parents of the lightning policy at the start of the season.

10. There is no infield fly rule.

11. No base stealing is allowed. A runner may leave the base once the ball reaches the plate. A runner leaving his/her base before the ball reaches the plate will result in a delayed dead ball being called by the umpire, with the runner removed and called out.

12. Base runners that miss touching a base, or leave a base early, shall be called out by the umpire upon completion of the play. A delayed dead ball shall be called by the umpire.

13. A team may have a courtesy runner for the catcher at any time. The runner used as a courtesy runner will be the player that made the last out.

14. The umpire's judgement will rule on the runner's position at the point time is called by either umpire. Time is called once the front runner is contained.

15. Catcher must be in a squatted catcher's position and not standing.

16. The coach who is pitching must stay in contact with pitching rubber until the ball is released. Once the coach releases the ball, he/she cannot be involved in coaching until time is called as there are base coaches to direct runners. Coach may not deceive defensive players to get the ball thrown before time is called. **Penalty:** The ball is dead, the batter is declared out, all runners return to the base occupied before the pitch and the lead runner is declared out. The adult pitcher should only communicate with batter before ball is put in play.

17. If a batted ball hits the coach who is pitching before the defensive player touches the ball, the ball is dead, with all runners advancing one (1) base if forced. If the coach who is pitching intentionally interferes, the ball is dead, the batter is declared out, and all runners return to the base occupied before the pitch except the lead runner, who is also declared out.

18. When possible, the coach who is pitching **MUST** leave the field, from either the first or third baseline, when the batted ball is put in play.

19. Batters will not be walked nor can they advance to first base by Hit By Pitch (HBP).

20. A team must have ten (10) players to start a game and may finish with nine (9) players. A disqualified/ejected player will result in an out each time that position comes to bat.

21. Between pitches, if ball is not put into play, the coach must remain within the pitching circle.

Official Rules - Tournament Play

Any rule not specifically covered in this book will be governed by the National Federation of State High School Association.

1.00 - PLAYING RULES

A. - Any of the starting players may be withdrawn and re-entered once, provided such player occupies the same batting position.

B. - Optional continuous batting order:

Teams may elect to use a continuous batting order. They may bat as many players as they choose (9,10,11,12,13). A player that is in the line-up may substitute freely defensively as they choose (pitching rules still apply).

A player not in the line-up will be considered a SUBSTITUTE and will be allowed to enter the game one time. A starter that comes out of the game for a substitute will be allowed to re-enter one time (in the same place in the line-up for the same person that replaced him per substitution rules).

C. - If a player is injured to the extent that he/she cannot continue, and his/her team does not have a substitute, he/she will be ruled out at his/her next turn at bat. At his/her second and subsequent turns at bat (after he/she comes out of the game), his/her spot in the batting order will be skipped each time he/she is due to hit.

D. - Once a player misses his/her turn to bat due to injury, that player will not be allowed to return in that game.

E. - If a player is ejected and the team does not have a substitute, he/she will be ruled out each time he/she is due to bat.

F. - If a team is using a continuous batting order and does not have any substitutes, the player making the last out will be the courtesy runner for the pitcher and/or catcher.

G. - The catcher does not have to catch the third strike. The batter is automatically out and the ball remains in play. The base runner may advance at his/her own risk.

H. - Once a pitcher starts his/her motion toward home plate, the pitcher has to deliver the ball. If the pitcher stops his/her motion, a balk will be called. There will be no penalty with no runners on base.

I. - When a pitcher is in contact with the rubber with the ball in his/her hand, the catcher is in the catcher's box ready to receive the ball, and the batter is in the batter's box, no base runners shall leave the base until the pitched ball reaches the plate.

J. - A runner leaving his/her base before the ball reaches the plate will result in a delayed dead ball being called by the umpire, with the runner removed and called out.

K. - A player failing to touch a base during a live ball situation will be called out by umpire by sign of delayed dead ball.

L. - Mandatory play rule for **ALL** ages. Each eligible player listed on the lineup card, and is at the game, must have one (1) at bat **and** three (3) defensive outs in the field. **Penalty:** Forfeit unless the game is shortened by the run rule. Once the mandatory play rule is met, if a player is injured or sick and there are no available substitutes, the team may use an expended player to assume the position in the lineup. This rule does not apply to ejections. It is the opposing team's responsibility to question whether the mandatory playing requirements have been met.

2.00 - REGULATION GAME

A. - 10U games shall be six (6) innings unless shortened or lengthened legally. If score is tied at end of six (6) innings it shall be continued until a verdict is reached.

B. - Run Rule - 12 runs after three (3) innings, 10 runs after four (4) innings. The losing team must have an equal number of at bats.

C. - If a game is called before it becomes a regulation game it must be replayed from the exact point of interruption with the same ball and strike count on the batter and the same lineup as near as possible.

D. - All tournament games must be completed: six (6) innings unless home team is ahead in 5-1/2 innings or game is called because of run rule.

3.00 - PITCHING RULES

A. - Any member of a team may pitch, however all pitchers are subject to all pitching rules.

B. - A pitcher removed from the mound or the game may not return to the mound in the same game.

C. - As soon as a pitcher delivers one (1) pitch to a batter he/she shall be considered as having pitched one (1) inning.

D. - No 10U pitcher will be allowed to pitch more than twelve (12) innings in each level of tournament play, but no more than six (6) innings in one day.

E. - A pitcher shall be considered ineligible if he/she makes one (1) legal/illegal pitch after reaching the pitching limitations. It is the opposing team's responsibility to question the eligibility of a pitcher.

F. - A team that uses an ineligible pitcher must remove the player from the mound, with the head coach being ejected from the game and innings counted toward the pitching record.

G. - Pitchers must have at least one (1) calendar day rest after pitching in three (3) or more innings in the same game or on the same calendar date. **This rule applies to both local league and tournament play and may not be waived.**

H. - A defensive coach may request one (1) charged conference per inning. On the second and any subsequent request, the pitcher must be removed from the mound. This rule does not apply on a conference when the pitcher is removed.

This page dedicated in memory of
GARY TAYLOR

The lives of so many people were touched by this man. Little League players wanted to play for him, as he constantly taught fundamentals of the game and the fairness in play. Parents respected him for the care he showed to all children. Coaches watched closely as they tried to learn from him. Spectators applauded him as he coached with love. Tar Heel Leagues, Inc. was blessed by the presence of Gary Taylor as a member of its Board of Directors. His decisions were made with serious thought and consideration of goodness to all.

The love Gary Taylor had for his family and God were certainly an example for all to follow.

To his wife, Ruth, his children, Martha, Nathan and Jeremy, we share in your loss. May God forever bless the memories we share of Gary Taylor.

*This page dedicated
to the memory of*

Bob Hales

What an example of life Bob Hales has shown to all who knew him. Being in a wheelchair was not a handicap to him, but a different angle to approach all that needed to be done.

By giving so much of his time, knowledge and energy, he helped many youngsters realize that dreams will come true by being the best you can be and never say, "I quit." In 1998, Bob was presented the coveted Jefferson Award for his volunteer services to our communities. By giving all he did, we have a better place to live, work and play.

Bob joined an elite group of people that we call coaches as he took every youngster as an individual, worked with them in youth sports and did the extra things that help to make better individuals.

To his wife Gerri, and his sons Greg and Stan, we all share in your loss of Bob. We thank you all for showing us a deeper meaning of *Love* and *Family*. We also thank you for sharing Bob with so many of us through the years.

May God forever bless the memories we share of Bob Hales.

In Memory
Harold “Buck” Gaines
May 3, 1947 - March 2, 2010

We can use Buck Gaines as an example of life that we all cherish. He was a terrific family man and he showed that with the affection he showed to Alyce, Amy, Rodney, and Abby. He loved his grandchildren to no end and was extremely proud. Buck took his love for life outside his home as he was constantly helping others and especially helping young umpires to strive to do their best. He was such an asset to Tar Heel Leagues, Inc. not only as an umpire but also serving as a Director of District 3. He kept everything in order and surely helped our Board of Directors enjoy the game of golf more and more.

There was always laughter when he was around and you could usually hear him before you saw him as he was joking or seeking improvement.

Alyce, Rodney, Amy, and Abby we share in your loss and want to thank you for sharing him with us all of these years. Tar Heel Leagues, Inc. is a better organization because he was a part of it.

May God bless all of our memories.

Ben Stafford

August 23, 2003 - April 14, 2016

In his twelve years, he touched so many lives. He was often said to be an old soul at heart because he was wise beyond his years. Everyone who knew him loved him for one reason or another, whether it be his smile, his slow country accent, or his humor. Ben loved all things outdoors and was forever being a typical country boy. We will always love and miss him. Until we meet again. We love you!!!
